CONTROLS

- **IDEC** – 22mm Pilot Lights, Push Buttons, Selector Switches, Emergency Stop, Relays, Display Lights, Power Supplies
- RELAYS – *Finder, Idec*
- TIMERS – *Nortonics Foxtam , Finder, Idec*

CABLE ACCESSORIES

- **CABLE GLANDS** – *Industrial, Flameproof. CMP, Hawke, Peppers, Hummel EXIOS, Raxton, Elkay, **Bimed, Hummel**, Pflitsch, Schlemmer FosTecO Series '5' ECO, DBIP68 and more In Brass, Nickel Brass, Nylon, PVDF (chemically resistant), Stainless Steel.*

The **biggest** and the **best quality ranges** to **suit every application** –
huge choice!! Low prices!

- **FLEXIBLE CONDUIT** - *PMA, Kopex, EURO2000 (Legrand-RTA), Flexicon*
- **CABLE TIES** – *Hellerman Tyton, Band-It, Sapiselco*
- **CRIMP TERMINALS, TOOLING** – *Cembre, Bootlace Ferrules. A complete professional quality system of tooling and crimping solutions Cembre MG2 Marking Genius system equip/terminals*
- **CONTROL PANEL TRUNKING** – *Canalplast, Tehalit, SES Sterling, Critchley Betaduct LSOH – FULL range of colours - Grey, Black & Blue DIN RAILS all sections, lengths.*
- **SLEEVING** – *PVC, Heatshrink, Nylon Braid, Silicon, PTFE, Neoprene, Vidaflex, Acrylic Glass*
- **CABLE MARKING SYSTEMS** – *SES Pliotex, Ademark - Easi-Lok, Geni2000 tag marking*
- BS4343 PLUGS & SOCKETS, COMBI. – *Ceenorm, Mennekes, Lewden, Bals-Reyrolle*
- WARNING LABELS, SIGNS – *Engraving, Silk Screen Printing, Anodised Label Printing, terminal tags*

Our speciality is to supply the following materials & services:-

• **ZERO-HALOGEN PRODUCTS:**

CABLES - please see above list under Cable, page 1

GRP TRAYS, MARKERS, CRIMP TERMINALS, SLEEVING, CABLE TIES,
CABLE GLANDS, FLEXIBLE CONDUITS, **PANEL TRUNKING - Grey, Black & Blue**

• **OFF-SHORE, HAZARDOUS AREA & STAINLESS STEEL:-**

CABLES (see cable section above), ATEX APPROVED CABLE ACCESSORIES:-

GLANDS, PLUGS AND ADAPTORS, TERMINAL BLOCKS, JUNCTION BOXES,
FLEXIBLE CONDUITS, S/S 316 MARKING SYSTEMS, FASTENERS (A4 / BRASS)

316 S/S Cable Management products – TRAY, STRUT, CONDUIT, BOXES, Junction .Boxes

• **Design, Manufacture and Test of Control Panels to the latest standards EN61439-2 & EN60204 and customers specific standards where appropriate**

Scope of Work:-

Q M S and accredited to **Achilles Q S** – fully trained staff with decades of experience

High Quality work from design, build and technical support throughout the build

Focussed on - ‘**On time deliveries and at a Fair and Reasonable Cost for the Job**’

Installation & testing, PLC & HMI software writing, Commissioning, Docs & P M, After Sales

Industry Sectors:-

Power Distribution, UPS, Maritime, Water Process, Machinery Equip. Renewables & Energy

Turnkey Projects – We offer a ‘**Triangular Arrangement**’ whereby the customer has full contact with the design and builder of their **Control Panel for technical support** throughout, all commercial agreements are done with GFC&A as your ‘**Approved Vendor**’ for our complete service. The Panel Builder will give you full support to your complete ‘start-to-finish’ satisfaction. You have one stop shop with GFC&A to purchase both everyday materials on our **Linecard** above and the **Design & Build of your Control Panel**.
